## Safe Sport Considerations

In compliance with Safe Sport, parents will have access to and the opportunity to observe their child. We will be streaming the swim meet live on YouTube as well as allow visual access through the windows of the facility. Spectators may also view the competition pool through the windows.

## Meet Specific COVID-19 Protocols

- All attendees (athletes, coaches, officials, and volunteers) must wear a mask to enter the facility and throughout the facility, with the exception of athletes when competing or warming up/cooling down.
- Athletes must arrive and depart in their suits. Locker room use is minimized to emergency use only.
- Spectators will not be permitted into the facility. The meet will be live streamed on YouTube. The link will be shared with participating families. Before signing up your young swimmer, please consider that they can manage themselves for the duration of the meet with just their swim coach overseeing them, including being able to visit the bathroom independently.
- Each session will be limited to 80 swimmers. Swimmers will be assigned to a seating area. Seating areas are marked to allow for social distancing.
- Entry for all participants, volunteers and coaches will be through the main pool entrance, exit will be through the Bistro doors or out any pool door exit.
- Before entering the facility participants, coaches and volunteers are required to be able to answer the following questions and will only be permitted entrance if answering with 'no':
  - Do you feel any of the symptoms that fall under the Covid-19 (fever over 100.4, cough, shortness of breath, etc.)?
  - Has anyone in your family been sick or diagnosed with Covid-19?
  - Has someone you've been in contact with been diagnosed with Covid-19 or been in contact with someone who has?
- One timer will be assigned to each lane as a backup timer. Markings will separate the swimmers from the timers while staging and entering/exiting the pool.
- One-way traffic will be maintained on the pool deck. Swimmers will leave their assigned spot, walk along the turn end of the pool, down the lane 1 side of the pool, and continue behind the blocks.
- For warm-ups, swimmers for each session will be assigned to one of two warmup groups, no more than 48 swimmers in each group. Each group will be assigned an arrival time. Swimmers will not be permitted into the building prior to their arrival time. Swimmers will proceed to their assigned seating area, prepare to enter the pool, and follow marshals' and coaches' directions to enter the pool while respecting social distancing guidelines.
- Staging for swimmers during competition will be
  - Heat 1 is at the blocks and will swim
  - Heat 2 is under the scoreboard spaced by 6 feet and will remain there until heat 1 is done swimming, exits the pool and exits the area behind the blocks.
  - Heat 3 is staging under the flag until directed to move to under the scoreboard (after heat 1 is done swimming and out of the way and heat 2 proceeds to the starting blocks).
- Swimmers will wear their masks until they reach the starting blocks. They will hang their mask on a hook on the starting block just prior to competing. They will put their mask back on before leaving the starting area.
- Additional sanitation will take place as well as sanitation stations will be available in various locations throughout the facility.
- HEPA Filtration system will be placed on the pool deck and in high traffic rooms for additional air purification.
- UV Light is used along with chlorine to disinfect the water constantly.
- We request that all attendees notify the meet director as soon as possible if they have tested positive for COVID-19, shown symptoms or have been in contact with anyone exposed to COVID19 after attending the meet.
