

## Report of the Operations Division

- A. Spoke with Don Smith. Don indicated that he would be available to help in the transition to a new Equipment Manger.
- B. Looking into the temporary storage of the PVS equipment at Overlee. This would allow us time to inspect and inventory the equipment.
- C. Investigating new platform possibilities for Lee District pool. (Will submit proposal to BOD week of October 6)
- D. Outlined goals for the Operation Division (will be provided at October BOD Meeting)
- E. New Business – solicit feedback of Operations goals.

Respectfully submitted,

Karl Hellmann  
Operations Division Vice Chair
