

Age Group Chairman Report:  
November 10, 2008

Zone Open Water medals have still NOT been sent to top 8 finalists. The last I heard, James Wolfle had placed a 2nd order with Hastey Awards in mid-September which they could not find. James re-ordered them again and to my knowledge they have not arrived to his address yet. As soon as they arrive he will be mailing them out to all top 8 finalists. I mailed him the award labels and addresses of the top 8 swimmers about 3-4 weeks ago. He has everything he needs to get the awards out.

Still waiting on a rebate check from Holiday Inn.

PVS October Open meets went off well. No problems or concerns.
