

Senior Chair Report
November 10, 2008
BoD Meeting

I met with a few coaches in reference to Sr Championships. With the inclusion of Junior Champs we needed to adjust the standards. The meet will be smaller, with the help of Jim Garner, I feel that we have a good handle on setting standards to give us a meet of about 600+ athletes.

We felt that reducing the number of final heats from 4 to 3 was appropriate. In an effort to be more inclusive of PVS athletes in finals and still keep the opportunity to include outside participation, it was decided that the C final would be reserved for PVS athletes.
