

Coaches Rep. Report for March 2011 – Bill Marlin

### Jr./Sr. Champs

Jr./Sr. Champs was a huge success! I spoke with most head coaches at the meet and they all love the format and wish to see the same format next season. All of them said the time lines were perfect, cuts were perfect and it was great to have all their swimmers at one facility on the same weekend. Many felt it was also very beneficial to have the Jr. Champ kids at the same venue as the Sr. Champ kids so they can see what the next level is like and what it takes to get there. Much more of a team meet for many clubs. Congrats PVS, you hit this one out of the park!

### JO's

The JO meet went off very well. The meet was very fast this year with a lot of great swims and new PVS records. Air quality, for the most part, was good and the deck was not over crowded. There were some concerns from coaches that the 13-14 timelines were a bit short. It is tough for kids to do two events plus two relays in 90 minutes. Most coaches still liked the three session format though. Meet size was good but some asked if the meet is the same size or a bit smaller if it would be better to go back to the two session format, 11-14 and then the 10 & Under so swimmers can get appropriate rest between events.

### Representative Elections:

Coach Rep elections closed on Sunday morning (3/19). Scott Bryant is the newly elected PVS Coaches Rep. The ballots were counted by myself and verified by Greg York. Ballots were destroyed.

Athlete Rep elections closed on Sunday morning (3/19). Brandon Fiala (MACH) and John Kim (CUBU) are the newly elected PVS Athlete Reps. The ballots were counted by myself and verified by Greg York. Ballots were destroyed.
