

Report from the May 18 Competition Committee Meeting

- Tim Husson made a presentation to the coaches about the SWIM database. The report is posted on the PVS website in the minutes from the May 18 meeting.
- Manga presented a report from the Eastern Zone Meeting. It is also posted in the meeting minutes on the website
- Age Group Coach of the Year – there has been an attempt to make changes to the selection process for the AG Coach of the Year. But at this time there was not a consensus as to how to best make the changes. The following motion was made: **Motion that the Age Group Coach of the Year be selected from applications received by June 18. The nomination form should list achievements of 14 & under athletes who train under the coaches direct supervision listed as the coach sees fit. The Coach would be selected from nominees received as in previous years, seconded and approved.** Until the current proposal can be looked at again and revisions made.

 - Mar 23-25, MSSC, Spring Finale, Fairland
 - Mar 23-25, YORK, March Madness, Oak Marr

- Warm up times for SC Junior/Senior champs – There were some members of the CCM that felt that the warm up and start times for both Junior and Senior Champs was too early in the morning, particularly when swimmers participate in finals the night before. Several motions were made:
 - **Motion to move the start time of the PVS SC Junior/Senior Championships to 9:00 am, as long as the timelines allow for there to be sufficient time in between prelims and finals, seconded and approved.**
 - **Motion to look at start time of the finals sessions and begin earlier based upon the meet manager’s recommendation, as long as there is sufficient time between prelims and finals, seconded and approved.**
- There was discussion regarding the timing of the Championship meet cuts being published. Efforts will be made to get the cuts time published in a more timely manner.
