

Potomac Valley Swimming Technical Committee Report

October 14, 2012

The Technical Committee Chair has been reviewing meet announcements for accuracy and rules compliance. The accuracy and completeness of these meet announcements has been improving over the last several years. Much of this is due to our Administrator, Terri Marlin's work with the Meet Directors

Meet Directors so far this season have been very cognizant of the 4-hour rule for 12&U sessions. Several meets have already been right up against that limit. I plan on monitoring the actual running time of some of these sessions (post-meet) to see if meet directors are providing accurate timeline estimates.

Tim Husson
Chair, PVS Technical Committee
