

# Potomac Valley Swimming Webmaster's/Technology Report

October 14, 2012

## **2011-2012 Season Wrap-Up**

The following items were posted to the website in the past month:

- USA-S Top Ten Lists
- USA-S Scholastic All Americans
- PVS Outstanding Athletes
- PVS Outstanding Distance Athletes
- PVS Outstanding Swimmer with a Disability
- PVS Scholar Athletes

## **2012-2013 Season**

In addition to posting information about swim meets (meet announcements, pre-meet reports, and results), the following items have been posted:

- 2013 Registration Forms
- 2012-2013 USA Swimming Championship Meet Qualifying Times
- 2013 PVS Short Course Championship Qualifying Times

## **Meet Directors Handbook**

Terri Marlin pulled together a number of resources which have been posted as a Meet Directors Handbook <<http://www.pvswim.org/meetdirectors/meetdirectors.html>>. The goal is to get all the PVS meet directors on the same page with regards to their duties and responsibilities. It has been posted as a series of topics rather than a single document to make it easier to update as needed.

## **Safe Sport Page**

I am working on a Safe Sport Page for the website. The idea is to put all the resources and links in a single place.

## **Technology**

The new PVS laptop computers have been configured and are ready for the spring championship meets.

Tim Husson  
PVS Webmaster & Technology Chair
