

# Potomac Valley Swimming Operations Division Report

April 2014

I will be a presenter representing the USA Swimming Times & Recognition Committee at the 2014 Zone Workshop, April 11-13, 2014 in Baltimore. The workshop is for LSC Times Officers, Registrars, Safe Sport Chairs and office staff.

## Safety Committee

Nothing to report this month.

## Equipment

Nothing to report this month.

## Technical Committee

Online Meet Entry (OME) for SC Senior Championships and SC Junior Championships worked very well. There were very few unproven times.

Times Recon of entries for the Junior Olympic meet produced very few unproven times. PVS coaches have gotten better about using valid entry times.

## Officials Committee

Requests for approval of Officials Travel Reimbursement requests for the March Sectional and Zone meets will be presented to the Board.

Potomac Valley will send two officials, John Kost and Scott Witkin to the USA Swimming Officials Workshop, May 16-18 in Pittsburgh.
