

Administrative Division Report
2010 House of Delegates Meeting
Potomac Valley Swimming
May 19, 2010

Registration again this year has gone very smoothly. Recent years' data is attached. The upward trend in athlete registrations has slowed somewhat but the total continues to climb. Non-athlete registrations continue to grow at a more accelerated pace. Two additional local USA Swimming clubs were formed and became PVS member clubs.

Bylaws are current for items passed by the USA Swimming House of Delegates through their September 2009 meeting and three PVS-originated Bylaws proposals are being considered at this meeting. Draft updated Policies and Procedures have been circulated within the Board during 2010. As updated the document is current through last month's PVS Board meeting in terms of actions taken at PVS Board meetings and HOD meetings since the last formal update as of December 2003. Comments have been received to make several changes to reflect current practices. Minutes of meetings are current as posted on the PVS website.

Clubs have done a very fine job of recruiting, developing and retaining certified officials. No club was subject to the penalty for having insufficient certified officials for 2008-2009. (A new initial set of calculations will occur later this month for the 2009-2010 period.)

John Hirschmann as Records Chair has not only updated the records but developed an approach that will lead to faster and more accurate updates. He is to be commended for this improvement.

Respectfully Submitted,

Art Davis

Administrative Division Vice-Chair
