

Administrative Division Report
House of Delegates Meeting
Potomac Valley Swimming
May 23rd, 2012

Registration again this year has gone very smoothly. Recent years' data is attached. The athlete registrations have increase slightly this year, we now have over 10,000 registered swimmers in PVS. Non-athlete registrations have evened out for the 2011-2012 season. Two (2) additional local USA Swimming clubs were formed and became PVS member clubs.

If we follow our previous post Olympic trends, USA Swimming usually sees a 6-8% membership increase and is projecting as high as 9-10% increase. PVS previous trend projects a 5-7% post Olympic increase in membership numbers.

The concern of our growing LSC is capacity at our meets and the number of meets on our competition schedule. This is an issue that the PVS BOD will continue to review ways to handle the growing membership of PVS.

Bylaws have been updated with all items passed by the USA Swimming House of Delegates through their September 2011 meeting. The document has been submitted to USA Swimming for final review.

A working document of the updated Policies and Procedures have been circulated & approved by the Board in March 2012. The posted document on the PVS site reflects all changes from May 2011- April 2012. In addition, Chairs were asked to address any changes that were needed with in their divisions to address current practices. This document continues to be a working document.

Minutes of meetings are current as posted on the PVS website.

Starting in September 2011, PVS began enforcing policy C—9 regarding swimmers competing on PVS/ USAS sanctioned events without current registration. Clubs who are in danger of being fined are contacted by the Administrative Chair and are given 7 working days to provide evidence that their athlete was indeed registered prior to the competition. If they are not able to provide this information, the club is then issued a fine by the association and formally informed by the Executive Director. The PVS board endorsed a change to the current policy to allow ½ of the monies collected will be donated to the USA Swimming Foundation in support of the Make a Splash program.

Clubs have seen a slight decrease in recruiting new officials to support the meets that are currently on the PVS schedule. Fines for the 2011 year for not having proper number of officials within your club will be issued during summer 2012.

John Hirschmann as Records Chair continues to accurately maintain the LSC Records in a timely and organized manner.

Respectfully Submitted,

Paris Jacobs
Administrative Division Vice-Chair
