

2018 PVS Coaches Rep Report – Evan Stiles

Over the past year, I attended all PVS Competition Committee meetings, plus all BOD and HOD meetings.

I attended the USA Swimming Convention in Dallas in September where I sat in on many talks and took part in the Zone meeting.

I worked with Mark Faherty and Blair Piddington, discussing options to help improve JO's to include the possibility of multiple sites, options for the 13-14's, and allowing the cut times to be a little relaxed but not having extended timelines.

I spent a lot of time at swim meets talking with other coaches and just listening to what they had to say about things that needed improving and things that were going well.

I was in charge of receiving the names of all interested coaches who wanted to be on the Coaches Rep ballot at Jr/Sr Champs and at JO's. Then worked with Tom Ugast to get the ballots to the meets.
