

Operations Division Report
PVS House of Delegates Meeting
May 22, 2018

Officials Committee

- The PVS Officials Chair, Rich McMillen, has submitted a separate report.

Safety Committee

- The PVS Safety Committee Chair, Kurt Thiel, has submitted a separate report.

Technical Committee

- The committee created a meet announcement template which is available to all meet directors. This template includes all of the language required for sanction. It is easily formatted so that it can be adjusted for all types of meets. The goal of creating this template was to have more consistent meet announcements and to make them easier to read by coaches, officials, swimmers, and parents. Many clubs have taken advantage of the template.
- The current members of the Technical Committee are:
 - Kelly Rowell
 - Amy Hsu
 - Carolyn Kotarski

Equipment

- PVS has secured the lease for equipment storage at the former Tysons YWCA located at 8101 Wolftrap Road, Vienna VA through August 2019.
- A factory serviced Colorado Timing Systems CTS6 was purchased along with 2 harnesses (prime and backup), 2 external starter speakers, and 2 CTS6 power supplies. It is anticipated that touch pads will need to be purchased next year.
- Many of the touch pad brackets need to be replaced. Research is being conducted to locate someone who can manufacture the brackets. This should be more cost effective than purchasing them directly from Colorado Time Systems.
