EXPERIENCE

I am the current Age Group Vice Chair for Potomac Valley and have been a member of USA Swimming and Potomac Valley for 16 years.

I grew up swimming in Potomac Valley for York Swim Club. I was a college swimmer while attending George Mason University. I have been a full-time coach with Machine Aquatics for 16 years, where I am currently the Head Age Group Coach we I oversee and work with all staff on the development of our 12 & Under program.

I look forward to continuing my role as the voice of the PVS Age Group coaches as we strategically develop the LSC in a direction that benefits athletes and clubs of all sizes and protecting the best interests of the 12 & Under swimmers.

Outside of swimming I am also a Physical Education Teacher and have degrees in PE and Sports Management, as well as a Masters Degree in Integrating Technology for Schools.
