EXPERIENCE

I'm fortunate enough to have worked for many different types of clubs, from board-run, to institution (YWCA) to privately run clubs (even my own club)- I even have a few years of collegiate experience.

Currently, I work for SNOW Swimming in Loudoun County as Junior Gold Coordinator (11-14's). I've been with SNOW since the Fall of 2014.

I'll serve as head site coach for Dulles South when that facility opens in early 2019.
