**Equipment**

Budget

The overall equipment budget requested for 2019-2020 was decreased by \$5000. After reviewing the annual equipment purchases over the last two years, it was determined that the revised budget will support the equipment needs for the foreseeable future.

Expenses

The following was equipment was purchased. Most of the purchases were made to replace equipment that no longer functioned due to general use.

- 5 Colorado Time Systems AquaGrip touchpads were purchased to replace nonfunctioning ones.
- New touch pad brackets that will fit most pools that PVS uses were purchased from Colorado Time Systems
- 20 push buttons were purchased.
- 4 Infinity Start Systems were purchased to replace nonfunctioning units.
- 2 tripods for the Infinity Start Systems were purchased along with mounting plates.
- 10 lap counters were purchased in addition to 4 rolling crates to hold the counters
- 2 radios and several different types of headsets were purchased.
- Miscellaneous items for equipment repair were purchased.
- A CTS6 was shipped to Colorado Time Systems for repair.

Miscellaneous

An equipment check list was created to facilitate rentals and to keep track of the quantity and condition of the rental equipment.
