

Webmaster's Report
PVS House of Delegates Meeting
May 2018

The PVS website continues to be the primary communications asset for Potomac Valley Swimming. Although meet announcements and meet results are the primary reasons PVS members visit the website, other areas of the website continue to be popular, including the Top Times Lists, PVS records, and the Diversity Committee page. And for those interested in history, results from PVS meets since 1996 are still available to access.

The PVS website has the results of local high school championship meets going back 20 years. This year, the results of 33 meets were posted, including State Championship meets from VA and MD.

John Hirschmann retired as the PVS Records Chair in 2018. We thank John for his many years of service to PVS as an official, board member and volunteer in many capacities.

I've heard from officials in several other LSCs that they use training and reference content from the PVS officials' web pages.

A PVS Instagram account (@PotomacValleySwimming) was created to share photos from PVS events. The PVS Facebook page (@PotomacValleySwimming) and Twitter feed (@PVSwimming) are used for announcements and to highlight important content on the website.

Comments and suggestions for the website are always welcome. Pictures of swimmers, coaches and volunteers that can be shown on the home page are also welcome
