

Evan Stiles

Candidate for Vice Chair of the Senior Division

I grew up swimming in PVS in the 80's and have been a coach in Potomac Valley since 1993. I have been the Head Coach of the Arlington Aquatic Club since 2005.

I have spent the past 3 years as one of the PVS Coaches Reps. I have tried to increase my communication with coaches to be able to represent their thoughts and opinions at PVS meetings. I have taken part in task forces to include creating a new format for the long course championship meets and to choose the best candidates for PVS representation at the Leadership Summit in Colorado Springs. I have attended the last 2 USA Swimming Conventions where I have been able to take part in discussions and voting on the LSC, Zone, and National level. My years of involvement with Potomac Valley have given me great insight to the values and direction that we are working for now and in the future.

I look forward to the possibility of continuing to work with Potomac Valley to support and promote excellence for all as well as continuing to provide leadership and excellence in and out of the pool.
