SNOW Swimming, Head Site Coach @ Dulles South Rec. Center

SNOW Swimming Club Rep, PVS Competition Committee

PVS Board Member (At Large); served on both the Grant Relief Task Force and the Return to Competition Task Force

I've enjoyed serving on the PVS Board in an "At Large" capacity the past several years and look forward to contributing further as the Age Group Chairperson. The experiences I've had over the course of 30 years on deck will help me deal effectively with the challenges that lie ahead in the coming two years, specifically accommodating the wide range of age group athletes we serve here in PVS, as well as managing the burgeoning number of JO qualifiers so as to offer the highest quality Championship Meet experience to those athletes.
