New Features of Meet Manager 3.0

Improved Open Water Meet capabilities

Shortcuts on the Main Screen

Improved Report Capabilities:
> Uses Windows Default Printer and standard Print Dialog
> Can e-mail reports directly from the Report Preview Screes
> Can export report directly to PDF from the Report Preview Screen
> Can have logos print at the bottom of each page

Additional Run Screen Features:
> Even lanes are colored for better contrast
> Splits can be shown (but not modified) directly on the Run Screen
> Right-click on an Athlete's name and find out what other events they are swimming

New Seeding Features
> "Early" designation for events split between two sessions
> "Super Final" seeding for multi-age group events

eLessons accessible from the Main Screen

Quality Club Award Scoring = # Points / Team Size

Improved Split Sheet Reports

Can download the Demo to try at <http://www.hy-tekltd.com/downloads.html>.
