Subject: Approved Swimwear

---

On May 19, 2009, FINA issued a list of swimsuits approved for competition. The approved list, which was effective immediately and is attached, includes 202 swimsuits. The Rules and Regulations Committee, under the provisions of Article 511.1, has the authority to alter or amend any provision of Part One of our rules to conform to the rules of FINA. Accordingly, effective immediately, Article 102.9 is amended as follows:

102.9.1A: Only swimwear approved by FINA, as reflected on its published list of approved swimwear, may be worn in any USA Swimming sanctioned or approved competition.

(Existing subsections A, B, and C of Article 102.9.1 shall be redesignated as subsections B, C and D, respectively.)

Since the FINA approved list only addressed new model swimsuits submitted by swimsuit manufacturers, swimmers will, until otherwise directed by FINA, also be able to wear traditional swimsuits not on the FINA approved list as long as the swimsuit meets the following criteria:

1. For female swimmers, the swimsuit shall not cover the neck, extend past the shoulders or past the pelvis, and
2. For male swimmers, the swimsuit shall not extend above the navel or below the knees.

In addition to the 202 approved swimsuits on the attached FINA list, there were an additional 136 swimsuits that could be resubmitted to FINA for reconsideration and possible approval. The expected decision date for such approval is June 19, 2009. At such time as FINA publishes any list of additional swimsuits approved for competition, those additional swimsuits will also be approved for USA Swimming sanctioned or approved competitions.

FINA has also declared that only those permitted swimsuit models that are available to all World Championship competitors may be used at the FINA 2009 World Championships in Rome. To be consistent with this FINA requirement, only those permitted swimsuit models that are available to all competitors may be used at the 2009 ConocoPhillips USA Swimming National Championships and World Championship Trials to be held July 7-11, 2009, or at the 2009 USA Swimming Open Water World Championship Trials to be held June 14, 2009. To avoid confusion, availability is defined as follows:

1. The swimsuit manufacturer is present at the 2009 ConocoPhillips USA Swimming National Championships and World Championship Trials and/or USA Swimming Open Water World Championship Trials with its approved swimsuits available for all competitors on a purchase, loan, give-away or other basis, or
2. The swimsuit manufacturer has provided to USA Swimming a written representation in the form requested by USA Swimming that its approved swimsuit will be made available before July 7, 2009 to all World Championship Trials competitors and before June 14, 2009 to all Open Water Championship Trials competitors on a purchase, loan, or give-away basis through retail stores, the internet, or other means. USA Swimming will publish a list of swimsuit manufacturers who have made this representation once they are received. Competitors may rely on this list as approval to wear a particular swimsuit model at either of the World Championship Trials.

Any questions regarding the adoption of this new rule may be addressed to the Chair of the Rules & Regulations Committee. Any questions specifically regarding swimwear at World Championship Trials or Open Water World Championship Trials should be addressed to our National Team Head Coach/General Manager
